Section I PRODUCT IDENTIFICATION

Product Name: **FRESH CUT ROSES**

The specific chemical identities of the remaining ingredients of this mixture are considered by the manufacturer to be trade secrets and are withheld in accordance with the provisions of 1910.1200 of Title 29 of the Code of Federal Regulations.

Section II PHYSICAL/CHEMICAL CHARACTERISTICS

Boiling Point.....: N/A C	Vapor Pressure.....: N/A
Melting Point.....: N/A C	Vapor Density (air=1).....:>1 N/A
Specific Gravity.....: N/A	Percent Volatile @ 70F, Butyl Acetate = 1
Solubility.....: N/A in water	Evaporation Rate.....: N/A

Section III FIRE AND EXPLOSION HAZARDS

Flammable, Bond and ground all containers.

Flash Point: >176°F DEG: F (TCC) Flammable Limits.....: N/A

Extinguishing Media.....: Carbon dioxide, dry chemical, or foam.

Special Fire Fighting Procedures: Self-contained breathing apparatus and protective clothing should be worn when fighting fires involving chemicals.

Unusual Fire and Explosion Hazards: Closed containers may build pressure when exposed to heat or fire.

Section IV REACTIVITY DATA

This product presents no significant reactivity hazard. It is stable and will not react violently with water. Hazardous polymerization will not occur. Avoid contact or contamination with strong acids, alkalis, or oxidizing agents.

Carbon monoxide and unidentified organic compounds may be formed during combustion.

Section V CONTROL MEASURES

Respiratory Protection.....:	None generally required. IF desired use NIOSH approved respirator.
Ventilation.....:	Local exhaust meeting ACGIH criteria as needed
Protective Gloves.....:	Use chemical resistant gloves as needed to avoid prolonged or repeated contact.
Eye Protection.....:	Use goggles or face shield when eye contact might occur.
Work/Hygienic Practices	Avoid inhalation and contact with skin and eyes. Good personal hygiene practices should be used. Wash after any contact, before breaks and meals, and at the end of the work period. Contaminated clothing and shoes should be cleaned before re-use.

Section VI HEALTH HAZARD DATA

Routes of Entry.....: Inhalation and skin contact.

(1) Health Hazards Including Signs and Symptoms of Overexposure:

(2) This mixture has not been tested as a whole. None of the ingredients are listed as carcinogens or potential carcinogens by NTP, IARC, or OSHA. It contains ingredients present at concentrations greater than one percent that undiluted and at ambient conditions could have the following health hazards:

Irritating to skin, eyes, and respiratory system.

Repeated contact may cause allergic skin reaction.

Breathing vapor may cause anesthetic effects.

Repeated daily oral dosing to rats caused liver damage. Similar effects have not been reported in humans.

(3) Medical Conditions Generally Aggravated by Exposure: None known to Atlantis Aromatics.

Emergency First Aid Procedures:

Inhalation.....: Remove from the exposure to fresh air. Contact a physician as necessary, if breathing is irregular or has stopped start resuscitation, administer oxygen, if available.

Eye Contact.....: Flush immediately with clean water for at least 15 minutes. Contact a physician if irritation persists.

Skin Contact.....: Remove any contaminated clothing or shoes. Wash affected areas thoroughly with soap and water. If irritation persists, contact a physician.

Ingestion.....: Give water to dilute. Contact a physician immediately.

CALIFORNIA PROPOSITION 65

This product contains the following chemicals subject to the reporting requirements of proposition 65: N/A

section VII PRECAUTIONS FOR SAFE HANDLING AND USE

Steps to be Taken if Material is Released or Spilled: Eliminate all ignition sources. Ventilate area. Contain spill and recover free product. Report spills to appropriate authorities if required.

Waste Disposal Methods: Place material into sealed containers and dispose of in accordance with current applicable laws and regulations.

Handling and Storage Precautions: Store in a cool, dry ventilated area away from any heat sources. Keep containers tightly closed and upright when not in use.

Other Precautions: Good manufacturing practices dictate that an eyewash fountain and/or safety shower should be available.

DISCLAIMER

The information in this MSDS was obtained from current and reliable sources. However the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond the manufacturer's control, it is the responsibility of the user both to determine safe conditions for use of this product and to assume liability for loss, damage, or expense arising out of the products improper use. No warranty expressed or implied regarding the product described herein shall be created by or inferred from any statement or omission in this MSDS. Various Government agencies (e.g. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use, or disposal of this product which may not be reflected in this MSDS. The user should review these regulations to ensure full compliance.
